

The Beatles – Here Comes The Sun Ukulele Chords + Tabs

Key: G -1-1/2+1/2+1

Voice Range: **D – B** (9 half tones) – [how to use this?](#)

Important!: The original song is in the key of A. If you want to play it in the original key we suggest you use a capo on the 2nd fret.

There are two picks in the song. Please note that if you transpose the song – these picks won't work with the transposed chords. However – the chords above the tabs will be transposed as well.
